

# Extra Feature

### **SYSTEM FEATURES**

- Listed to UL 1449 4th edition for Type 1 and Type 2 SPD applications.
- Innovative Z-Path System<sup>™</sup> ensures equal current sharing, increased reliability and maximum performance
- Individually fused MOVs provide superior protection and continuous operation
- 200kAIC short circuit current rating allows direct bus connection without the need of an upstream overcurrent protection device
- Compact design to allow for Flush Mount installation
- Includes UL 1283 standard EMI/RFI filter
- All modes of protection (L-N, L-G, N-G & L-L)
- 10-Year standard product warranty

All CurrentGuard™ systems measured limited voltages are peak values (±10%) measured from the zero reference point and are in compliance with test and evaluation procedures outlined in NEMA LS1-1992 (R2000), paragraphs 2.210 and 3.10. Specifications subject to change without notice, refer to www.currenttechnology.com for latest revision.
